8 DAY STUDY PLAN!

Day 1:
- Gather all materials (readings, study guides, notes, etc.) that you will need for studying.
- Divide material into 4 equal parts (A, B, C, D). As much as possible, divide by topics.
- Note the different types of tests, and the different ways to study for Essay vs. Objective Exams.

Day 2:
- Review all material in Part A.
- Identify main points within Part A. List these or create a chart, graph, map, or outline (this is your Study Guide)
- Put away notes and quiz yourself on A.
- ID problem areas and: see professor, call tutor, visit tutoring labs, find a knowledgeable study partner.

Day 3:
- Same as Day 2, with Part B

Day 4:
- Same as Day 3, with Part C

Day 5:
- Same as Day 4, with Part D

Day 6:
- Review Both A and B, using Study Guide. What DON’T you know? Focus on those areas.

Day 7:
- Same as Day 6, with C and D

Day 8:
- Review difficult material from Days 6 and 7
- Review Study Guides for A, B, C, and D.
